

# Multi-level Mobile Rack

## FY - E206W

Part number: ZHUFYE206W

Pictures are for illustration purposes only - actual product may differ from images

The FY-E206W mobile bumper rack holds up to 4 bumpers and body kits. It is fitted with two casters with brakes for maximum maneuverability and safe positioning. Support arms with handles allow for easy movement.

The mobile bumper rack is ideal for a safe and tidy workshop through the storage of bumpers and body kits.

### Technical Parameters
